DISCIPLES FOR JESUS

*We continue with our Theme
JESUS THE TEACHER*

**Last week we shared some of our favorite
stories and looked at the story Jesus told
about Asking, Seeking and Knocking.**

June 27- Lost and Found

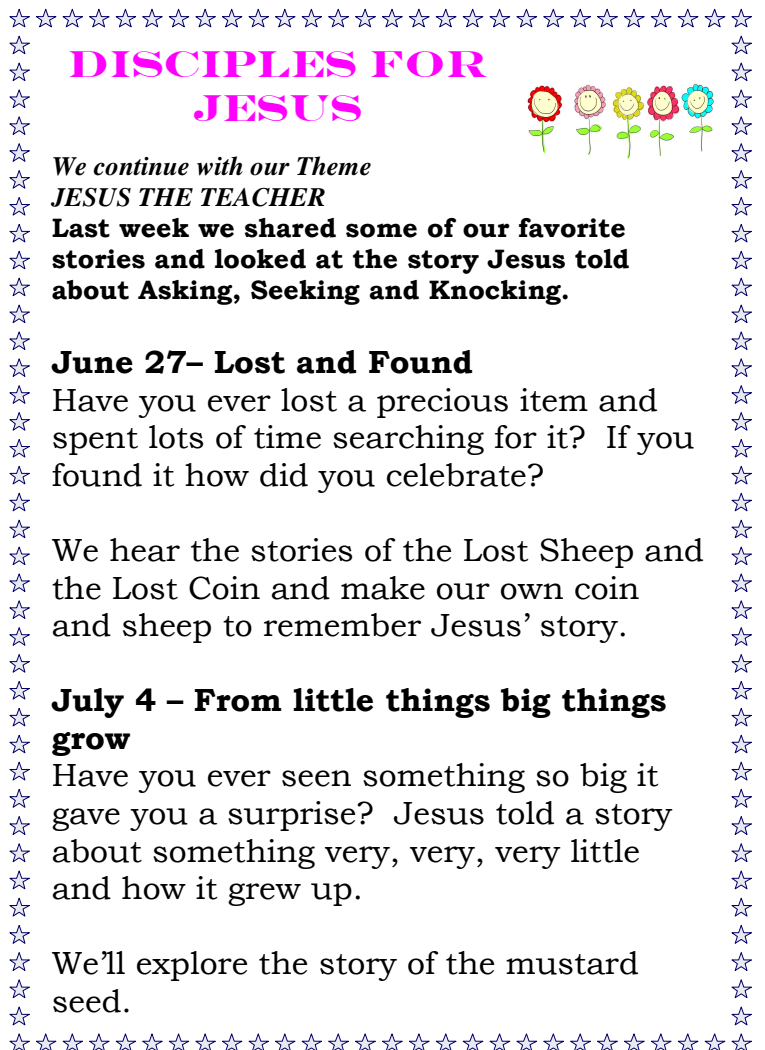

Have you ever lost a precious item and
spent lots of time searching for it? If you
found it how did you celebrate?

We hear the stories of the Lost Sheep and
the Lost Coin and make our own coin
and sheep to remember Jesus' story.

July 4 - From little things big things grow

Have you ever seen something so big it
gave you a surprise? Jesus told a story
about something very, very, very little
and how it grew up.

We'll explore the story of the mustard
seed.

Steve's Sayings.....

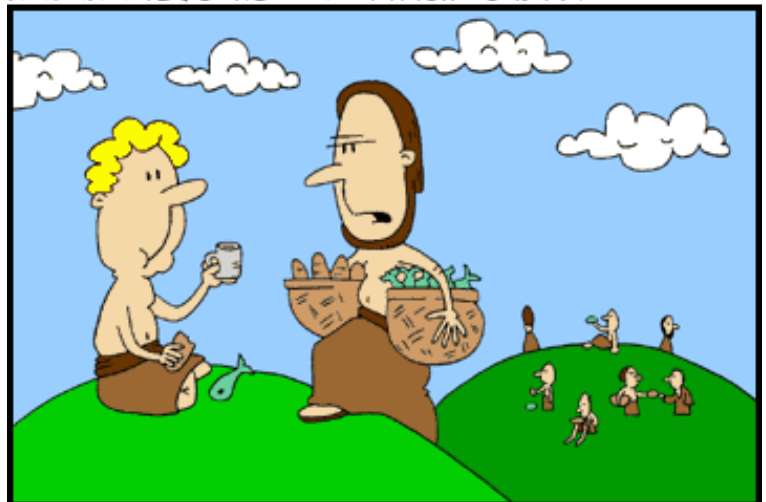

This week I was inducted into Rotary as a local Minister.

In my induction a statement was read out to me. It announced that there were privileges as a Rotarian and also responsibilities. What caught my attention was a small part towards the end of the induction speech. Rotarians are not chosen lightly I was informed, for it must be a person who is the public face of Rotary from now on. Everything I do and say will reflect on Rotary. I was quick to point out that they had just made a big mistake!. Though I couldn't help thinking at the time that this challenge was even more true for followers of Jesus. That we need to be aware that people may view Christ's message through our actions.

The second thing that struck me was that as soon as I was inducted I was asked what committee I would go on. Naturally I chose the community sub-committee. This group looks to support worthwhile activities in the community. It struck me here too, that this was even more so of followers of Christ. That it is in serving that we become followers of Jesus. It is perhaps timely that Alan will be speaking to us this week (27 June) on hospitality. I constantly feel very privileged to be part of such a serving church.

God Bless
