## DISCIPLES FOR JESUS

### Living in a Community

Would you like to find out what it was like  
to live in **BIBLE TIMES**.

For the next few weeks we are going to  
continue to explore life in Bible Times.

**August 22 - What did people wear in Bible  
Times?** The children learnt about fashion and  
some of the clothing that people wore in Bible  
times and learnt what material they were made  
from.

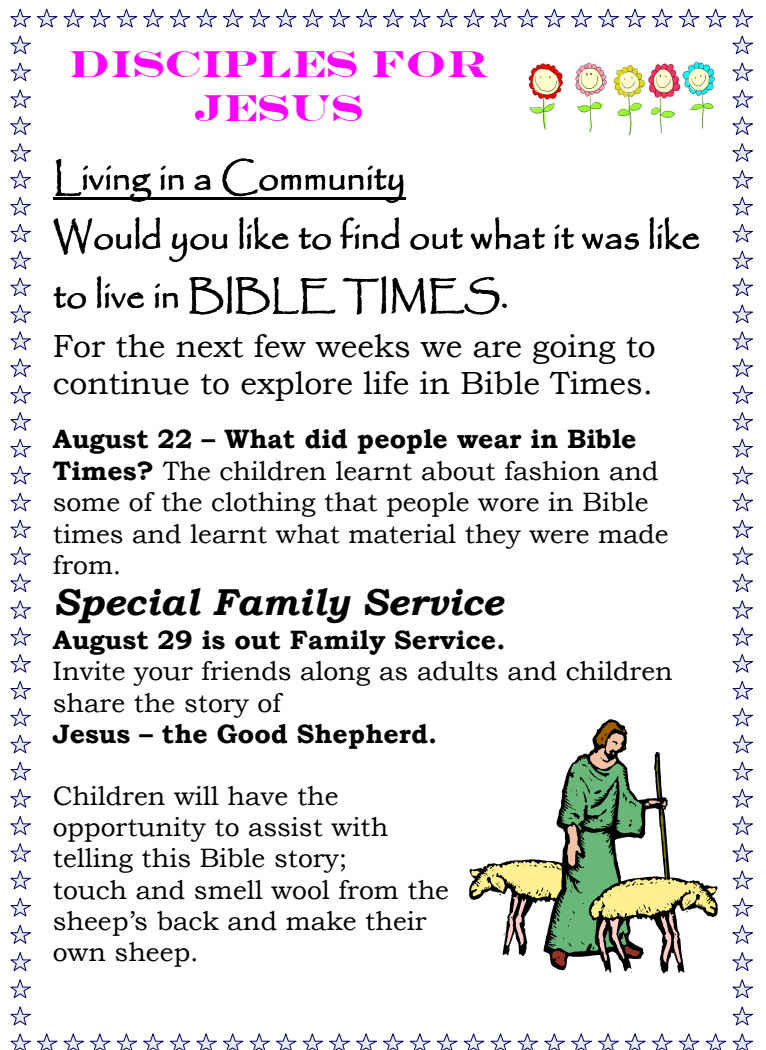

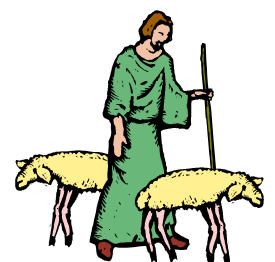

### **Special Family Service**

**August 29 is out Family Service.**

Invite your friends along as adults and children  
share the story of

**Jesus - the Good Shepherd.**

Children will have the  
opportunity to assist with  
telling this Bible story;  
touch and smell wool from the  
sheep's back and make their  
own sheep.

# Steve's Sayings...

A friend of mine knows a spy who recently attended the bi-annual devil and demons conference.. He tells me it is held all around the world but last year it was Melbourne's turn. He reported to me that the devil was not his usual sprightly self, in fact he seemed a long way down, a bit burnt out. Apparently he is not at all happy with events here in Chelsea. The churches are working together well, a Uniting Church minister helping with the prayer table at the Church of Christ, the ladies doing a breaky with other community volunteers at the Church of Christ, even the Baptist minister attends, The Devil is not happy.

Now he has heard that some churches are even considering working together on a regular worship service. He is so unhappy that his popularity seems to be waning among the lower level demons (a grumbly lot at the best of times). My friend tells me that it is not all us at fault, others Christian groups are also serving lunches and caring for refugees, running op shops etc. Mind you the devil possibly did not help his own case by wearing a bright pink jacket to the final conference dinner, a scorcher of an event by all accounts. My friend also told me that we need to beware, as the devil is planning a counter attack soon. My friend wondered what we would think of this news.

God Bless

Steve
