

Pit Stop Reunion

The future of DADS IN PROGRESS

Pete Aldin and Steve Rose, of Dads in Progress, are looking to steer the Dads groups in exciting new directions in 2010 and so would value your input.

We intend to start the Dads in Progress group on Thursday, 4th Feb from 7.00-9.00 p.m., and it will be open to new fellas as well as you *Pitstoppers*.

On the night of the barbie, there'll be an opportunity for you to make suggestions and comments about what kinds of services, environments and programs you think Dads in our community need in order to do family well and life well.

Dads in Progress requests your presence at a Pitstop New Year's Reunion BBQ

We'll have an evening of meat, tomato sauce and good blokes to celebrate parenthood with. Over the past 12 months, we've run 3 *Pitstops* and it's about time we got the band back together to hear how it's all going and to just catch up full stop.

The bad news is, because we're holding it on the Men's Shed site, local council has a 'dry' policy—which means no beer, etc.

Sorry, but we'll provide plenty of soft drinks!

The **best news** is that there is NO COST except your time and effort in getting here!
