

'Women's Only' Bible Study

**every Friday from 10 to 11am in the front room of the annexe attached to the
Chelsea Church of Christ.**

Come along as we explore stories and parables in the Scriptures and begin to recognise

bursts of colour

bringing alternative possibilities to the canvas of our life.

Scripture offers us new possibilities:

- A whisper of a bigger, brighter picture of life lived within the grace and generosity of a new kingdom
 - A promise of more to come.

Starting from **Friday 8th August** we will be reading portions of scripture and see how it can assist us to live today.

The following are some topics we will cover:

***Suffering; Feeling Inadequate; Fear; Being Worldly; Slander; Anxiety; Depression; Prejudice; Guilt;
Doubt; Times of Trouble; Greed; Indifference***
