DISCIPLES FOR JESUS

*We are continuing to learn how we
can "Make a Difference"*

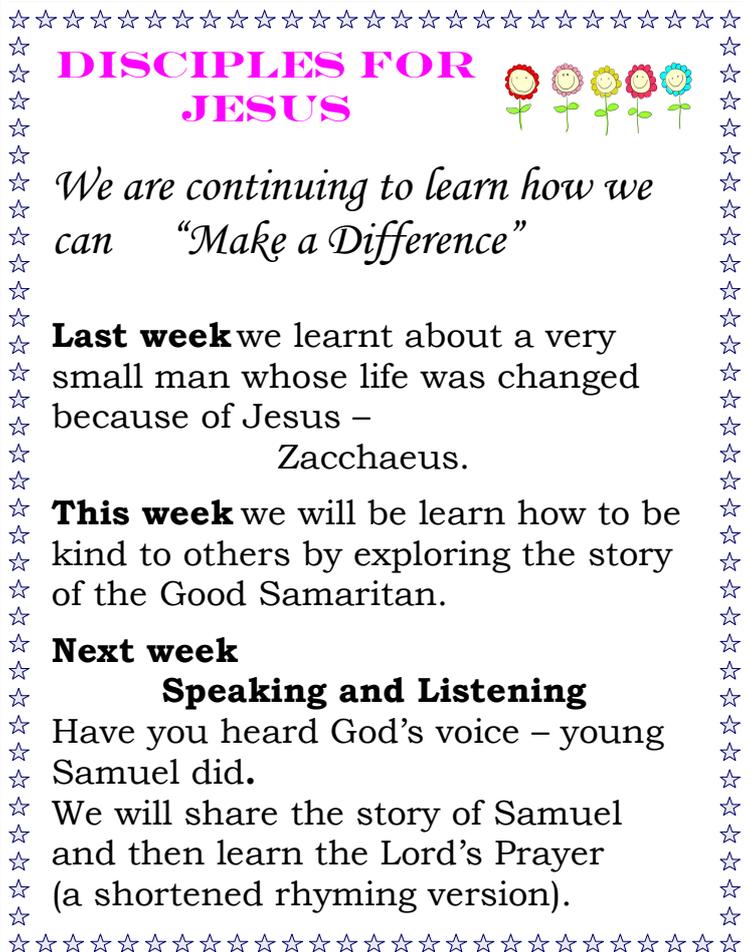

Last week we learnt about a very
small man whose life was changed
because of Jesus –
Zacchaeus.

This week we will be learn how to be
kind to others by exploring the story
of the Good Samaritan.

Next week

Speaking and Listening

Have you heard God's voice – young
Samuel did.
We will share the story of Samuel
and then learn the Lord's Prayer
(a shortened rhyming version).

Steve's Sayings.....

Evangelism could be described as being a participant in God transforming the world with love and justice one person at a time. Sometimes this will involve “being there” for people, sometimes a kind word, sometimes pointing people in the right direction, sometimes words to answer questions of faith, sometimes sharing our story or experience of faith. This may mean knowing what we are good at, or what we are called to be like or do, listening to God’s word for the day, and so much more.

If we look at evangelism this way, then it is not just about changing others, but about allowing God to transform and grow us and others at the same time.

Towards this end we have taken a small step this last week or two. Have a look over in the back corner. Our friend Rev Di from the Uniting church has helped us to set up a prayer corner. I’m sure you will agree she has made a very inviting prayer and reflection spot. A great place for us to come to, to open our hearts and ears to God, to do a reflection from the current resource book “Gentle Darkness” or as a special place to invite others to go to when in need of time with God. As our building is open most of the week I hope it will be a place people can just wander into and find God.
