

A CHURCH - NOT JUST TO LEAD BUT TO SERVE

CHELSEA NEWSLETTER

3 Sept 2017

Do you have 'Ears to hear?'

Have you ever felt that God was not listening to you? Job felt that way in the midst of his trials, so did David who cried out to God "How long O Lord?"

Does God withhold His voice for a time or is the problem with our hearing? Even when God seems silent, all we have to do is look at creation to be reminded He is there. God's presence and personality have filled the universe.

So how do we avoid spiritual loneliness in a world where voices come at us from every direction? How do we attune our ears and eyes to hear and see His Word so we may be comforted by and confident of our fellowship with Him?

Live an expectant and willing life – Jesus said willingness to know God and His truth is a key component in actually knowing Him.

Live a confessional life – Confess your sins readily and walk in forgiveness by faith.

Live an eye-opening life – If you stay in God's Word, you will never lack for reasons to know He is with you.

Live a Christ-like life – Live in dependence upon God like Jesus did. He never left the Father's shadow.

*God hears your voice and wants you to hear His,
With eyes and ears open to Him,
you will never be lonely again.*

Food, food, food and it keeps coming: Take a look in the 'Kid's room' which is where the food is stored. We are so blessed by all within the community.

Do you have the skills for, or do you know someone who would offer to fill a few small cracks in the walls of the Annexe and repaint inside? We are on the lookout to complete these works

Kidzone Holiday Program: We have been approached by a female studying teaching who will assist us in the upcoming school holidays to run some kid's programs.

Put on your thinking caps? We have begun praying for God to lead families with or without children through our door so we can recommence Christian programs for children. One suggestion is to do a 'letter drop' so for those who 'need a walk' Judi will create pamphlets to be used. We are considering commencing in 2018.
